

Join Sage City Live roundtable host: **Andy Klinger**

Andy Klinger is the chief of operations for Marceco Ltd, a master agent with the Sprint Prepaid Group, where he applies a strong expertise in data-driven, long-term strategic planning. Always looking to improve, he is constantly looking for ways to leverage technology and ideas that are in all ways sustainable, scalable, and iterative. He spends his free time cycling and camping with his wife in Grand Rapids, Michigan.

Business roundtable

Best practices for the distribution industry—how are you monitoring customer compliance, leveraging operating lines, and choosing your e-commerce platforms? Open discussion on business issues from technology to scalability for organizations in a distribution or franchise-management role.

Subject to change.
